

Center for Molecular Modeling, Ghent University
June 14, 2013, at 11h30
Technologiepark 903 (Aud. Metallurgie), Zwijnaarde

Lecture in the framework of IAP P7/05

Prof. Dr. Thomas Junkers

Institute for Materials Research, Polymer Reaction Design Group, Universiteit Hasselt, Belgium

Precision polymers with controlled architecture
and functionality

Prof. Dr. ir. Veronique Van Speybroeck
Center for Molecular Modeling
Ghent University
